

## **Optional Art Activities and Ideas to Explore!**

- Draw a picture of what you see out one of your windows or what you see as you are outside. For example, your back yard, your patio, the front yard and road, animals, cars/trucks, etc.
- Visit the website [www.artprojectsforkids.org](http://www.artprojectsforkids.org)  
There are lots of ideas, videos, lessons, etc. to entertain you for a long time!
- Find an idea for an art project that you really like (and make sure it is appropriate for your grade level) and share it with me when you return. I might even add that lesson into what we do in class. 😊
- Check out [www.EasyPeasyandFun.com](http://www.EasyPeasyandFun.com) and try something you like on their website.
- Anything additional that you would like to do or try...have fun!!
