

Hi Everyone! I miss seeing your faces and making music with you every week. I hope you all are doing well and still continuing to make music in your own ways. Let's make this a week of singing! Here are some ideas to try:

- 1) Keep a singing log- write down the songs you sing each day and send me the log at the end of the week. I'll try to learn one new song from your list!
- 2) Ask someone to teach you a new song; write down the name of the song, who you learned it from, and how they taught it to you!
- 3) Teach a song to someone else- report back on your experience 😊
- 4) Take a look at the "Singing Choice Board"; choose at least 3 to complete and let me know which ones you did!

*** I would love, love, love to get emails, pictures and/or videos of your musical experiences! Please share your adventures with me at bsmcuker@wlstigers.org.

Miss you guys, sending musical hugs!
